Introduction

The challenge of building design is one of endurance in the face of the elements, for buildings with large traffic like entertainment arena and hospital, wall protection is one of the key items in providing the interior a nice outfit yet restinace to heavy impact.

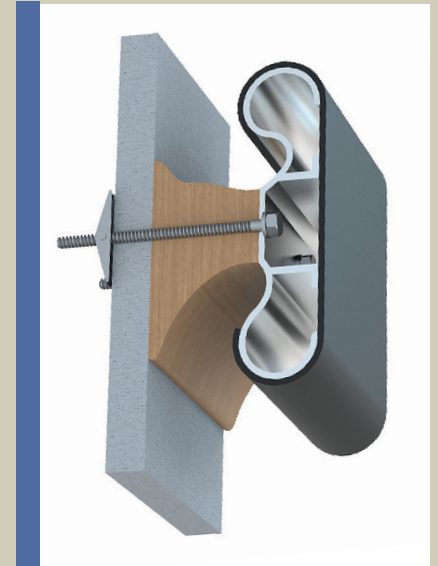

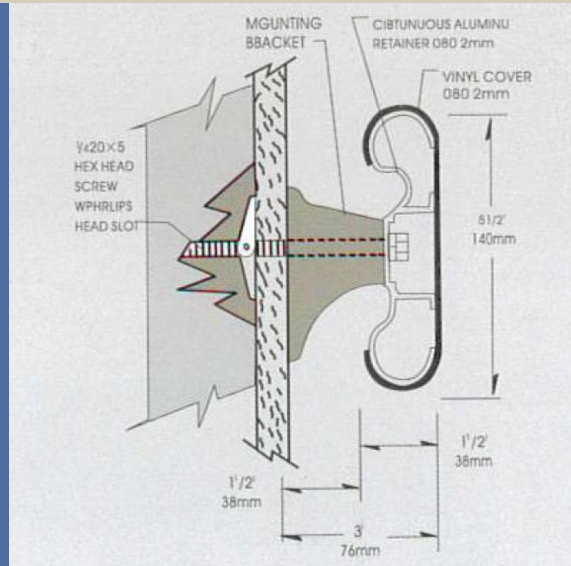

Our extensive experience in vast and various hospitality building projects has allowed the team to develop the wall protection systems that comes with creative finish patterns and textures while at the same time offering impact protection to the wall from crowds and trolleys.

Our customization service offers you a tailor made design with both metal and vinyl materials.

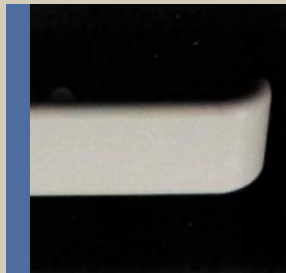

Wall Protection System

Handrail

- ◆ Flat Type
- ◆ Model : WP-HR140

SINGLE SOLID

DUAL SOLID

System Information

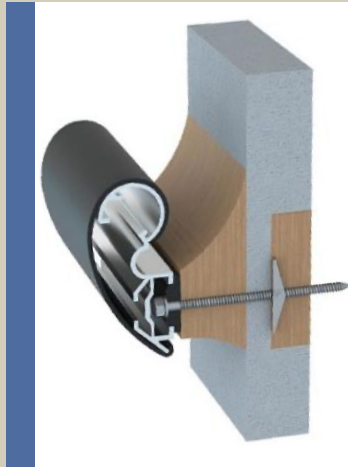

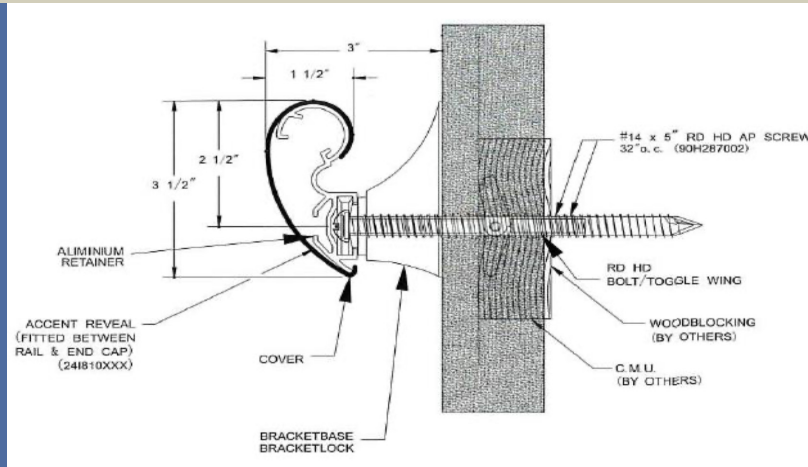

- ◆ 2mm thick high impact extruded aluminum 6063 retainer or clip
- ◆ 2mm thick high rigid vinyl cover
- ◆ Rail Height: 140mm
- ◆ Overall Depth: 76mm
- ◆ Special size available upon request
- ◆ Single solid colour & Dual solid colour available upon request
- ◆ Non-PVC
- ◆ Up to 60 colours available (Confirm colour selections before purchase)
- ◆ Chemical and stain resistance
- ◆ Indoor Usage

+/-5% deviations may apply to the dimensions. All pictures shown are for illustration purpose only. Actual product may vary.

Wall Protection System

Handrail

- ◆ Shell Type
- ◆ Model : WP-HR-S Series

System Information

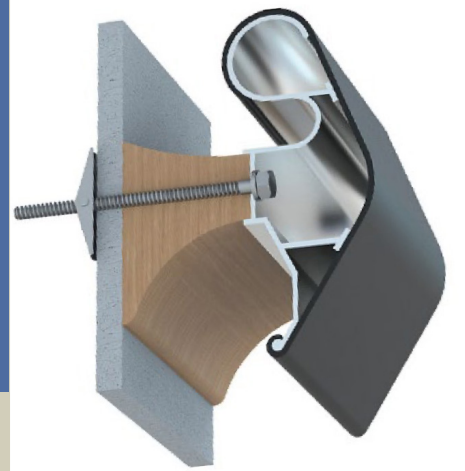

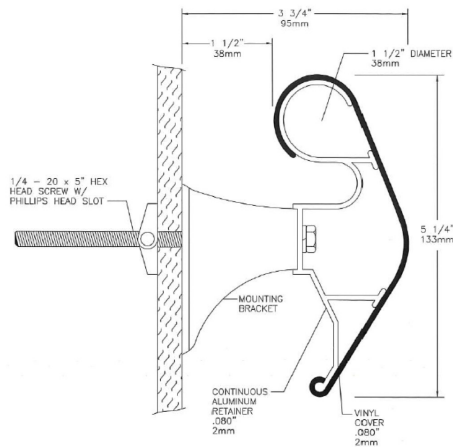

- ◆ 2mm thick high impact extruded aluminum 6063 retainer or clip
- ◆ Up to 60 colours available (Confirm colour selections before purchase)
- ◆ 2mm thick high rigid vinyl cover
- ◆ Special size available upon request
- ◆ Rail Height: 76/ 89/140mm available
- ◆ Non-PVC
- ◆ Overall Depth: 76mm
- ◆ Chemical and stain resistance
- ◆ Indoor Usage

+/-5% deviations may apply to the dimensions. All pictures shown are for illustration purpose only. Actual product may vary.

Wall Protection System

Handrail

- ◆ Parasol Type
- ◆ Model : WP-HR133

System Information

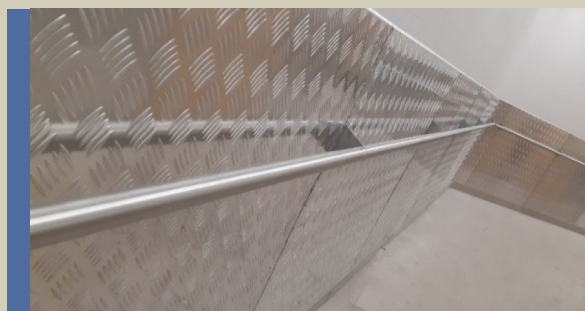

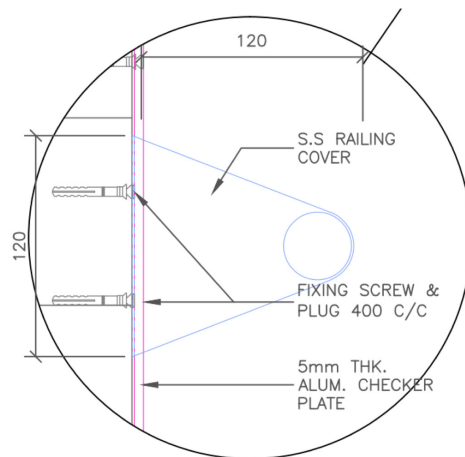

- ◆ 2mm thick high impact extruded aluminum 6063-T5 retainer or clip
- ◆ 2mm thick high rigid vinyl cover
- ◆ Rail Height: 133mm
- ◆ Bracket Height: 38mm
- ◆ Up to 60 colours available (Confirm colour selections before purchase)
- ◆ On demand size available (MOQ applied)
- ◆ High rigid vinyl bracket
- ◆ Indoor Usage

+/-5% deviations may apply to the dimensions. All pictures shown are for illustration purpose only. Actual product may vary.

Wall Protection System

Handrail

- ◆ Metal Type
- ◆ Model : SS-HR-038

System Information

- ◆ Materials: Grade 304 or 316 stainless steel tube and bracket
- ◆ Standard Thickness: 1.5mm
- ◆ Standard Rail Diameter: 38mm
- ◆ Standard Bracket Height: 89mm
- ◆ Standard Finishing: Hairline
- ◆ Custom design available
- ◆ Indoor & Outdoor Usage

+/-5% deviations may apply to the dimensions. All pictures shown are for illustration purpose only. Actual product may vary.

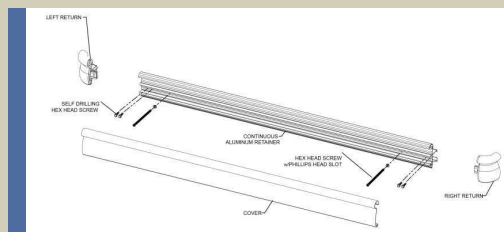

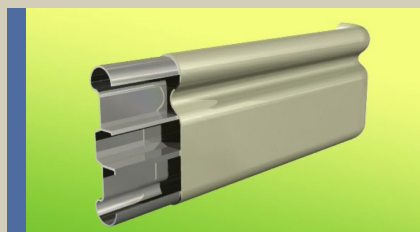

Wall Protection System

Handrail

- ◆ Parasol Type
- ◆ Model : ABC-HR1591

SINGLE SOLID

System Information

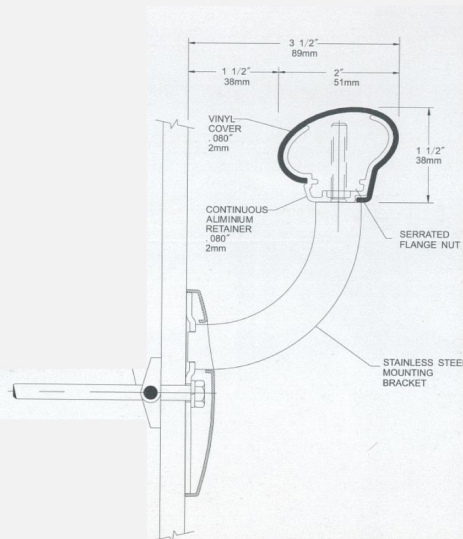

- ◆ 2mm thick high impact extruded aluminum 6063-T5 retainer or clip
- ◆ 2mm thick high rigid vinyl cover
- ◆ Rail Height: 159mm
- ◆ Overall Depth: 76mm
- ◆ Up to 60 colours available (Confirm colour selections before purchase)
- ◆ On demand size available (MOQ applied)
- ◆ High rigid vinyl bracket
- ◆ Indoor Usage

±5% deviations may apply to the dimensions. All pictures shown are for illustration purpose only. Actual product may vary.

Wall Protection System

Handrail

- ◆ Barrier Free Type
- ◆ Model : WP-HR-BFA-70

System Information

- ◆ 2mm thick high impact extruded aluminum 6063-T5 retainer or clip
- ◆ 2mm thick high rigid vinyl cover
- ◆ Hand Rail Height: 38mm
- ◆ Bracket top to Handrail Height: 38mm (Comply with Hong Kong BFA regulation)
- ◆ Up to 60 colours available (Confirm colour selections before purchase)
- ◆ On demand size available (MOQ applied)
- ◆ High rigid vinyl bracket
- ◆ Indoor Usage

+/-5% deviations may apply to the dimensions. All pictures shown are for illustration purpose only. Actual product may vary.

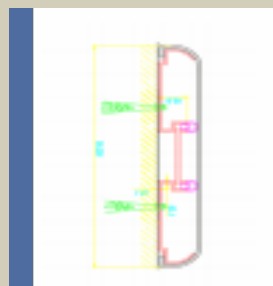

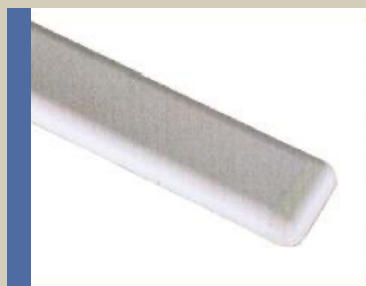

Wall Protection System

Bumper Guard

- ◆ Flat Type
- ◆ Model : WP-WG Series

SINGLE SOLID

System Information

- ◆ 2mm thick high impact extruded aluminum 6063 retainer or clip
- ◆ Single solid colour & Dual solid colour available upon request
- ◆ 2mm thick high rigid vinyl cover
- ◆ Chemical and Stain resistance
- ◆ Indoor Usage
- ◆ Up to 60 colours available (Confirm colour selections before purchase)
- ◆ Non-PVC

Technical Data

Model	WG1076	WG1020	WG1521
Height (mm)	76	102	152
Depth (mm)	25	25	25
Colour	Single Solid	Single Solid	Single Solid

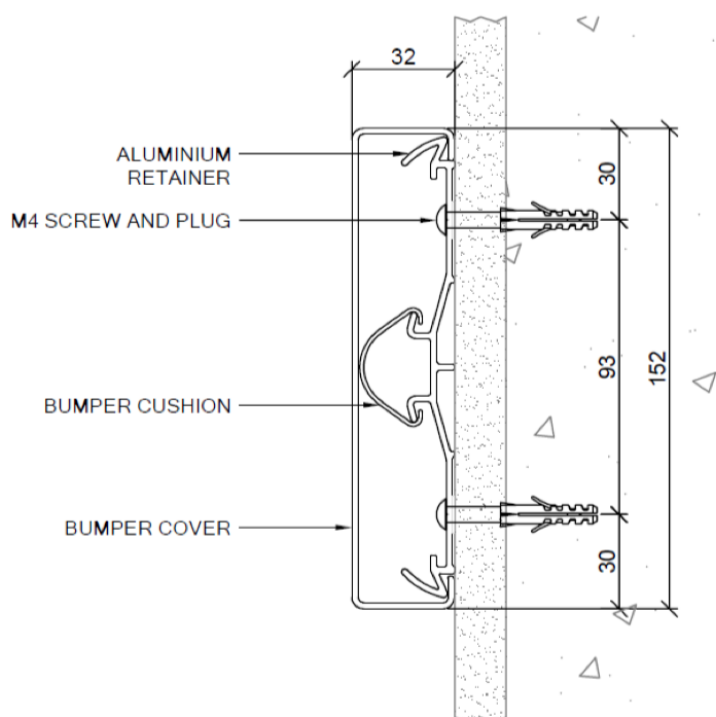

+5% deviations may apply to the dimensions. All pictures shown are for illustration purpose only. Actual product may vary.

Wall Protection System

Bumper Guard

- ♦ Flat Type
- ♦ Model : WP-BG-F Series

Flat Type 3 Series - WP-BG-F-3

System Information

- ♦ 2mm thick high impact extruded aluminum 6063-T5 retainer or clip
- ♦ Indoor Usage
- ♦ Single solid colour available
- ♦ Up to 60 colours available (Confirm colour selections before purchase)

Technical Data

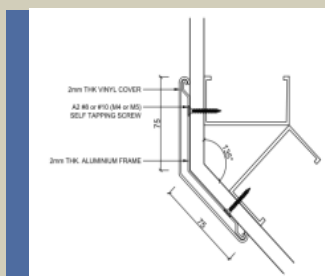

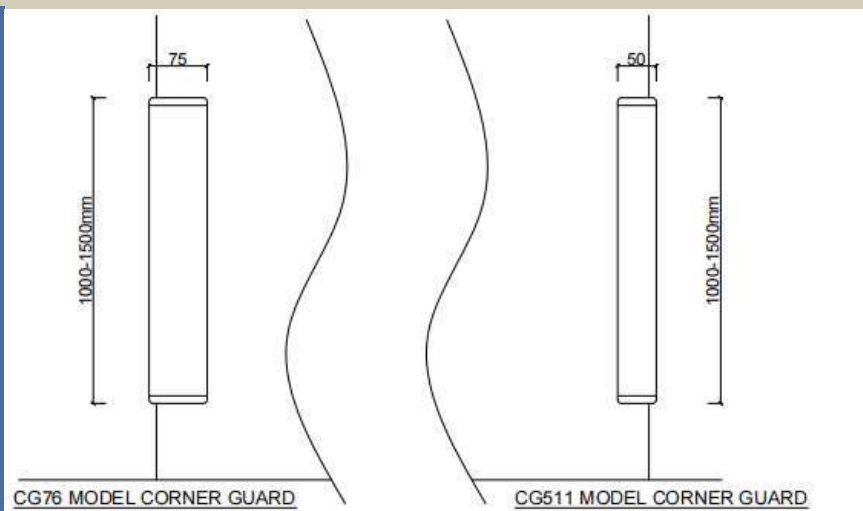

Model	BG-F-3-152
Height (mm)	152
Depth (mm)	32
Colour	Single Solid

+/-5% deviations may apply to the dimensions. All pictures shown are for illustration purpose only. Actual product may vary.

Wall Protection System

Corner Guard

- ♦ Vinyl Type
- ♦ Model : WP-CG Series

135 degree type available upon request

System Information

- ♦ ~1.8 - 2mm thick aluminum 6063 retainer
- ♦ 2mm thick high rigid vinyl cover
- ♦ Indoor Usage
- ♦ Length on demand
- ♦ Continuous aluminum / Vinyl bracket
- ♦ Up to 40 colours available (Confirm colour selections before purchase)
- ♦ Non-PVC
- ♦ Chemical and stain resistance

Technical Data

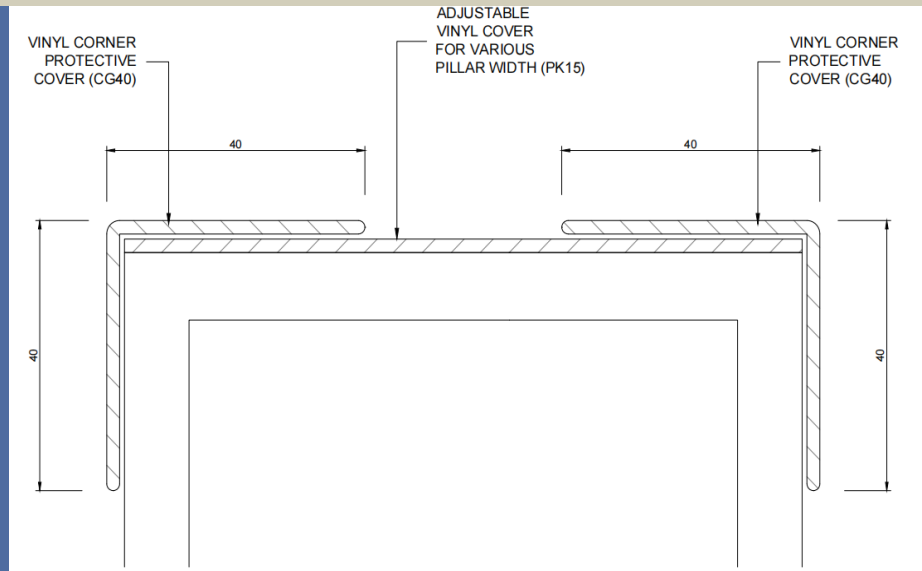

Model	CG-511	CG-511V	CG-76	CG-76V
Width(mm)	50 X 50	50 X 50	75 X 75	75 X 75
Angle	90	90	90	90
Retainer	Aluminum	Vinyl	Aluminum	Vinyl
Colour	Single Solid	Single Solid	Single Solid	Single Solid

+/-5% deviations may apply to the dimensions. All pictures shown are for illustration purpose only. Actual product may vary.

Wall Protection System

Column Guard

- ◆ Vinyl Type
- ◆ Model : ABC-PCG

System Information

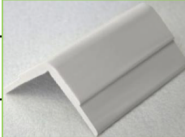

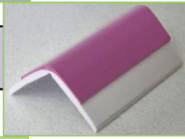

- ◆ U Arrangement Column Guard
 - ◆ System Consists of:
 - Vinyl Corner Guard & Vinyl Cover
 - ◆ Remark: Diagram's width is for reference only. Actual size subjected to site requirement
- ◆ Corner Guards: 40 x 40 x 2mm thick
 - ◆ Vinyl Cover: 1.5mm thick

+/-5% deviations may apply to the dimensions. All pictures shown are for illustration purpose only. Actual product may vary.

Wall Protection System

Cushion Corner Guard

- ◆ Child Centre type
- ◆ Model : WP-RCG-8-50

Standard color		Base part	Warning strips	
		Green	Green	
		Grey	Grey	
		White	White	
		White	Blue	
		White	Purple	
		Yellow	Blue	
		Yellow	Red	
		Yellow	Green	

(Colour selection has to be confirmed before purchase)

System Information

- ◆ Unibody rubber
- ◆ Over all thickness = 8 mm
- ◆ Typical height = 1220mm
(Other height available)
- ◆ Indoor Usage
- ◆ Over all width = 50 x 50 mm
- ◆ 20mm Visible base + 30mm Warning strip
- ◆ 8 stock colours and up to 40 on demand selections available

+/-5% deviations may apply to the dimensions. All pictures shown are for illustration purpose only.
Actual product may vary.

Wall Protection System

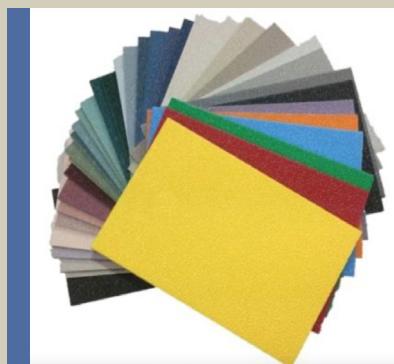

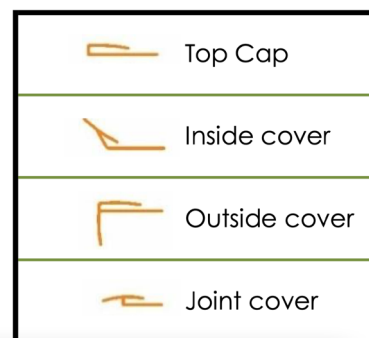

Vinyl Wall Protection Plate

- ◆ Vinyl Type
- ◆ Model : ABC-PK15

Keep Walls Intacted

Joint Accessories

System Information

- ◆ Material : Rigid Vinyl (Non-PVC)
- ◆ Anti-collision constructed
- ◆ Antibacterial coating
- ◆ Curved cover available
- ◆ Industrial and commercial wall protection
- ◆ Fire retardant
- ◆ Chemical and Strain Resistant
- ◆ Up to 60 colors available (Upon request)

Technical Data

Thickness	1.0mm (Special size on request)
Normal Sheet Size (Width x Height)	1220mm x 2800mm (Special size on request)
Joint (Selectable)	1.2mm Butt Joint / Joint Cover
Fixing material	Industrial grade adhesive

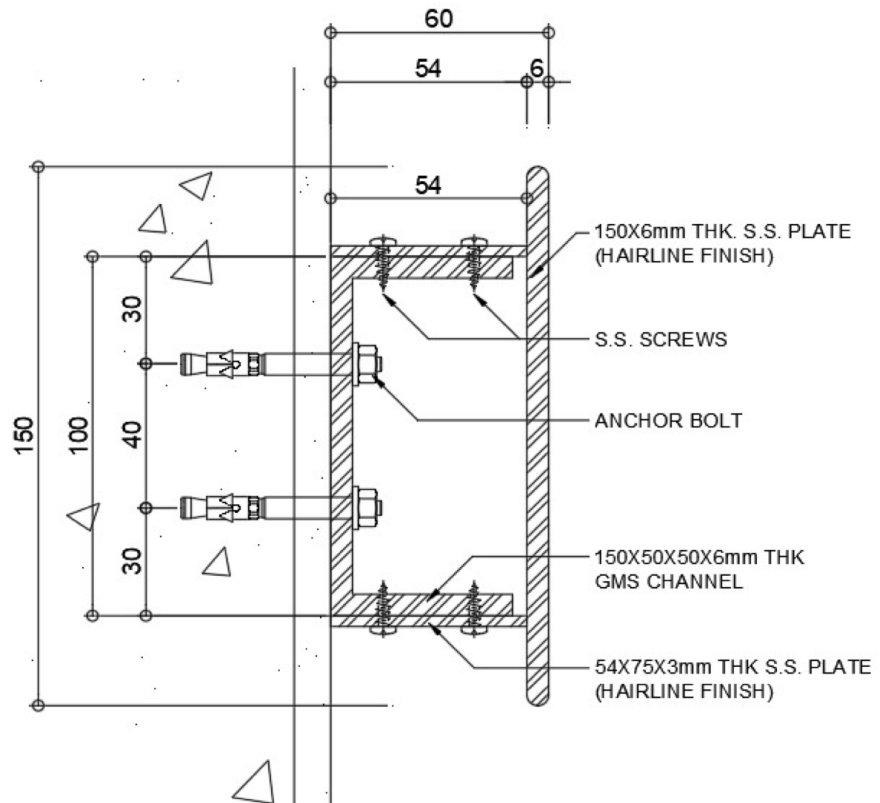

+/-5% deviations may apply to the dimensions. All pictures shown are for illustration purpose only. Actual product may vary.

Wall Protection System

Stainless Steel Crash Rail

- ◆ Wall Protection - Crash Rail - Flat - Colour - Stainless Steel
- ◆ Model : WP-CR-SS-F-316

System Diagram

System Information

- ◆ Material:
Cover = 316 Stainless Steel
Fixing Bracket = G.M.S
- ◆ System Dimensions:
Refer to Above Diagram
- ◆ Cover Finishing:
Hairline

+/-5% deviations may apply to the dimensions. All pictures shown are for illustration purpose only.
Actual product may vary.
